

A NEW CHAPTER?

**Don't fear change
– embrace it!**

You may be moving from high school into further education, moving out of home, getting ready to enter the workforce or changing careers.

We'll help you plan these and many other life changes to assist in a smooth transition.

'Transition Planning' is about helping you explore your goals and provide you with the support that you and your family need during life changes.

Call, email, or visit our website to arrange a meeting time. We'll sit down with you and your family to help create an action plan and make sense of professionals' advice.

Your transition plan will identify the strategies and pathways to achieve your future options and goals.

We'll help you be ready for your new chapter and inspired by fresh opportunity.
